

Classification: Accountant II - Federal Grants
Title Code: V00192
Pay Range: 23

POSITION SUMMARY:

This is a technical and administrative support position responsible for assisting in the planning, promotion, implementation, and coordination of activities for federal grant programs. An employee in this position performs accounting duties in the area of federal grant administration and report preparation. This individual acts as a liaison with other appropriate agencies. The work involves direct contact with governmental, public, and private entities requiring a high degree of independent judgment. Work will also require working with and interpreting federal guidelines relating to U.S. Department of Justice or other federal funding programs. This employee works independently with responsibility for developing and/or coordinating statewide or regional plans or programs. Work is reviewed for overall standards of performance and for compliance with federal, state, departmental or agency directives; however, the employee is expected to exercise discretion and judgment in making decisions.

DESCRIPTION OF DUTIES PERFORMED:

(Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

Administers federal grants within the Patrol's Budget and Procurement Division. Routes grant applications to affect components for review. Establishes grants in the Federal Aid Management subsystem of SAM II, as well as in an internal grants management system.

Prepares reporting to granting agencies to request reimbursement of expenditures; prepares monthly, quarterly and other financial reports for submission to granting agencies.

Evaluates, prepares, codes, and monitors grant expenditures, including claims for reimbursement, and financial reports to agencies as required in grant contract, terms, and conditions.

Researches, develops, prepares, and reviews grant applications, including completion and submission of all required state and federal forms.

Monitors and evaluates ongoing grant projects for compliance with grant award conditions and match requirements; documents grant related activity and recommends modifications or revisions necessary to satisfy the intent of the grant plan.

Processes purchase requisitions, decentralized purchase orders, and price agreement orders in SAM II; processes invoices and expense reports for payment to vendors; performs reconciliation of payroll for federal grants personnel.

Audits the utilization of federal funds and immediately reports any areas of concern and/or problems with same; works directly with the organization's Grant/Project Directors in all phases of federal grant administration; reviews federal funding in state budget requests.

Assists with the review of proposed legislation and fiscal notes for potential organizational impact; answers questions reference legislation and fiscal notes, as needed.
