

Classification: CJIS Specialist II (Charge Code)

Title Code: V00677

Pay Range: 22

POSITION SUMMARY:

This is a senior level position responsible for reviewing newly enacted, decriminalized, or revised Missouri laws impacting the production and maintenance of the Missouri Criminal Charge Code. An employee in this position ensures Missouri criminal justice agencies have a standardized set of criminal charge codes to facilitate the exchange of criminal history data between the criminal justice information systems of the Highway Patrol, FBI and related governmental entities for subsequent use and dissemination by both criminal justice and non-criminal justice agencies. Limited travel and public speaking may be required. An employee in this classification receives limited supervision by a CJIS Program Manager and will have decision-making authority while researching, developing, and maintaining the Missouri charge code and the code repository.

DESCRIPTION OF DUTIES PERFORMED:

(Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

Reviews legislative changes impacting the Missouri Criminal Code and the corresponding Missouri Charge Code to ensure all criminal laws associated with a charge code contain all the essential elements to report the criminal violation through the lifecycle of the criminal event; submits recommended changes to the Charge Code Committee for final approval by the State Judicial Records Committee.

Determines charge code data elements to include, but not limited to: offense type, case type, crime classifications, literal description, Record of Conviction, DNA, UCR/ NIBRS, Sex Offender Registry, Field Operations, and the domestic violence and stalking flags; identifies the number of codes needed to accurately identify the offenses; determines if the offenses are considered reportable according to Missouri state statute.

Collaborates with the Charge Code Committee and the Office of State Courts Administrator (OSCA) to submit the charge codes for approval by the State Judicial Records Committee.

Maintains the Uniform Charge Code Table (UCT) Editor; produces and distributed the corresponding data sets.

Publishes the Missouri Charge Code Manual and updates the Highway Patrol's web page containing the Missouri Charge Code Publications.

Assists criminal justice agencies (law enforcement, prosecutors, and court personnel), as well as CJIS staff, with research on locating the correct charge codes for a criminal violation and the corresponding specific time period when the offense occurred.

Works closely with the Information and Communications Technology Division (ICTD), Office of State Courts Administrator (OSCA), Missouri Office of Prosecution Services (MOPS), the Missouri Charge Code Committee, and other criminal justice agencies to maintain the Missouri Charge Code and the associated reporting systems.

Develops and prepares training materials, written correspondence, and procedural manuals associated with the Missouri Charge Code; provides training and education associated with the Missouri Charge Code and the associated criminal history reporting processes.

Performs other related work as assigned.

Classification: CJIS Specialist II (Charge Code)

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES:

Thorough knowledge of federal and state statutes, regulations, policies and procedures pertaining to the collection, storage, and dissemination of criminal history information, and criminal history reporting procedures as well as MULES/NCIC.

Knowledge of the techniques and the fundamentals of oral and written communications.

Knowledge of the principles, methods, and techniques in the administration of criminal history records.

Knowledge of Microsoft Office software including Word, Access, Excel, and PowerPoint, and other database software packages utilized for auditing purposes.

Knowledge of the Missouri Uniform Law Enforcement System (MULES), National Crime Information Center (NCIC), National Sex Offender Registry (NSOR), Missouri Automated Criminal History Site (MACHS), Automated Fingerprint Identification System (AFIS), Federal Bureau of Investigation (FBI), and other criminal justice systems.

Ability to learn state and federal laws, rules, and regulations pertaining to criminal history reporting procedures as well as MULES/NCIC.

Ability to review, interpret, apply, and prepare computer program documentation related to criminal history data.

Ability to review and analyze information for quality, quantity, and adherence to appropriate standards.

Ability to operate a personal computer to record statistical data and related reports, build spreadsheets, etc.

Ability to maintain accurate records, files, and documentation.

Ability to write detailed reports in an efficient manner.

Ability to effectively plan, develop, and organize materials for use in training programs.

Ability to provide training sessions, meetings, and briefings at the request of supported agency personnel, law enforcement, or other entities.

Ability to work under pressure of performing multiple tasks with varying deadlines while maintaining high quality work.

Ability to exercise judgment and discretion.

Ability to learn to perform entries, proofread, edit, and update data within various computerized databases.

Ability to work independently with general supervision.

Ability to occasionally travel for the completion of assigned duties.

Ability to operate basic office equipment as detailed in the description of duties.

Ability to handle restricted and confidential information in a professional manner and maintain the information as such.

Classification: CJIS Specialist II (Charge Code)
