

Classification: CJIS Technician II
Title Code: V00674
Pay Range: 18

POSITION SUMMARY:

This position is responsible for classifying, comparing, and filing of latent prints and criminal record data. Work includes processing incoming data to ensure that records are entered and kept with the best quality and integrity, and assists in identifying and resolving criminal history file integrity problems. An employee in this position will participate in on-the-job training as well as certification classes. An employee in this position is closely supervised until training is successfully completed; then general supervision is received from a designated supervisor.

DESCRIPTION OF DUTIES PERFORMED:

(Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

Assists with the coding, updating, and verification of criminal history data received and maintained by the division as necessary according to state statutes and department policies and procedures.

Explains and verifies information relating to interpretation of statutes, expungement of criminal arrest records, criminal history reporting, Missouri Uniform Law Enforcement Systems (MULES) policies, Sex Offender Hotline, etc., with law enforcement representatives and the general public in person, via telephone, and in writing.

Fingerprints individuals for employment, license applications, etc.; classifies, compares, and verifies positive matches from existing databases.

Assists with processing criminal history records, documents, and dispositions received hard copy and electronically; includes sorting, verification, updating, disseminating, and storing according to Missouri Sunshine Law and departmental policy.

Process record checks and warrant checks for the public window (including obtaining fingerprints if required).

Greets the public, screens, and authorizes individuals into secured building.

Operates standard office equipment (e.g., personal computer, facsimile machine, telephone, duplicating machine, shredder, electronic card files, and printer, etc.).

May testify in a court of law on matters relating to fingerprint identification.

Performs other related work as assigned.

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES:

Knowledge of the principles, methods and techniques in the administration of criminal history records.

Classification: CJIS Technician II

Title Code: V00674

Pay Range: 18

Page 2

Knowledge of federal and state statutes, regulations, policies and procedures pertaining to the collection, storage, and dissemination of criminal history information.

Knowledge of the flow of cases through the criminal justice system with an understanding of the operation of local and state court systems.

Ability to learn to perform entries and updates of data within various computerized databases.

Ability to work with criminal history records in a confidential and professional manner.

Ability to operate standard office equipment as detailed above in the description of duties and learn to operate television monitor and intercom building security system.

Ability to enter data or information into a computer terminal using a keyboard, mouse, or other input device.

Ability to transport boxes and/or trays of documents, criminal history records, fingerprint cards, etc. up to 30 pounds.

Ability to proofread and edit computer entries.

Ability to maintain clerical records and files.

Ability to work independently with general supervision.

Ability to handle restricted and confidential information in a professional manner and maintain the information as such.

Ability to communicate in English clearly and concisely, both orally and in writing.

Ability to establish and maintain harmonious working relations with others.

Ability to work with material that may be of a sexual nature relating to criminal activity (e.g., written material, photographs, and/or verbal language, etc.).

Ability to work hours as assigned.

MINIMUM EXPERIENCE AND EDUCATION REQUIRED:

(The following represents the minimum qualifications used to accept applicants, provided that equivalent substitution will be permitted in case of deficiencies in either experience or education.)

Must have one of the following:

- Completion of four-year degree in Criminal Justice or related field
- Four years experience in the field of criminal justice, criminal record systems, latent prints, etc.
- A combination of four years education and experience in criminal justice, criminal record systems, latent prints, etc.

(CJIS Technician I employees with the Patrol must have 2 years experience in their current classification and must have successfully completed all skill assessment evaluations for a CJIS Technician I.)

Classification: CJIS Technician II

Title Code: V00674
