

Classification: Chief CVE Inspector
Title Code: V07701
Pay Range: 28

POSITION SUMMARY:

The Chief CVE Inspector is responsible for the overall activities and supervision of Commercial Vehicle Enforcement Inspectors in a designated troop. The Chief compiles and maintains records of the weigh stations, and coordinates and verifies calibration of equipment. The Chief CVE Inspector also serves as a liaison between the troop staff, the general public, representatives of other government agencies, and General Headquarters staff. General supervision and direction is received from a designated supervisor with considerable independent judgment, decision making, and discretion required.

DESCRIPTION OF DUTIES PERFORMED:

(Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

Serves as a liaison between troop personnel, general public, elected officials, state and federal government officials and General Headquarters staff.

Interprets and explains the provisions of the state and federal Motor Carrier Safety laws, rules, and regulations reference enforcement via in-person and telephone inquiries from commercial operators, terminal personnel, and the motoring public.

Compiles and maintains records, (e.g., arrest or warning record, inspectors' daily reports, weigh station or portable scale hours of operation, employees' attendance records, monthly activity reports, schedule of 28-day work period record, Missouri Highway Reciprocity 72-hour trip permits, etc.) created by personnel assigned to the weigh stations and portable scale units in an assigned troop.

Coordinates and verifies calibration of the radiological and ram meters on a monthly basis in order to be prepared for an emergency, radioactive fallout, and to be in compliance with General Order 46-02; the meter's condition is recorded on a special equipment record and any deficiencies are immediately corrected.

Conducts random inspections of Troop weigh stations and Commercial Vehicle Enforcement Inspectors to assess performance and verify accuracy, consistency, and equity in enforcement of CVE rules and regulations.

Confers with uniformed members, CVE personnel, and command and GHQ staff reference special covert investigations and/or unusual circumstances involving the trucking industry; this information may be part of an on-going investigation and would be considered highly confidential and sensitive.

Directly and/or indirectly supervises trains, directs, and coordinates the work of all Commercial Vehicle Enforcement Inspectors in an assigned troop.

Reviews periodicals, federal regulations, and operations manuals in order to maintain current knowledge in the CVE field (e.g., hazardous materials, interstate and intrastate trucking requirements, commercial driver's license requirements, waste truck requirements, etc.): ensures that changes are communicated to appropriate personnel via channels.

Testifies in court as an expert witness, as requested.

Classification: Chief CVE Inspector

Title Code: V07701
