

Classification: Criminal Intelligence Analyst I - MIAC

Title Code: V00585

Pay Range: 18

POSITION SUMMARY:

This is a responsible professional and analytical position at the Missouri Information Analysis Center (MIAC). An individual in this position analyzes and assesses criminal information of a confidential nature and develops comprehensive analytical reports based on available data. The employee is required to utilize over fifty specialized analytical and informative state and federal databases to develop threat assessments, time series analyses regarding crime patterns, and to identify criminal groups, key individuals involved in organized criminal activity, their methods of operation, and the extent of the individual's criminal influence on its organized criminal group. The employee may also be responsible for compiling various statistical reports, bulletins, informative booklets, etc., and the Missouri Statewide Intelligence Network (MoSPIN). The employee is also responsible for quality control of data entered into various intelligence databases in order to maintain the integrity of intelligence data received and/or disseminated. Work is performed under general supervision.

DESCRIPTION OF DUTIES PERFORMED:

(Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

Researches all applicable files, database systems and case summaries in order to respond to intelligence and criminal activity inquiries from all state and federal law enforcement agencies (state patrol agencies, FBI, DEA, ATF, IRS, etc.) and prosecuting attorneys.

Performs telephone record analysis charting methods and other link charting to determine interrelationships and transactions involving criminal activity; uses crime analysis techniques including, but not limited to, financial analysis, time series analysis, and case analysis to view and evaluate patterns of criminal activity; evaluates patterns of similar suspects or crime groups, to include maps, charts, and other statistics.

Researches, compiles, and disseminates to major case investigation officers and prosecutors, intelligence booklets containing all data on file on the subject in question for criminal activity; develop reports, threat assessments, bulletins, and other work products to enhance the flow of relevant trends of criminal activity; prepares a summary report and answers questions pertaining to the intelligence information to the law enforcement investigator or prosecutor.

Creates photo lineups for investigating officers utilizing various state and/or federal databases.

Monitors Computer Aided Dispatch (CAD) machine, teletypes, and MIAC mail to stay abreast of any developing situations, including homicides, officer safety issues, highway closures, severe weather conditions, etc; determines how the information should be disseminated to the approved audience and takes appropriate action.

Develops reports, threat assessments, bulletins and other MIAC alert work products in a timely manner to enhance the flow of relevant trends of criminal activity; determines which individuals or groups need the information based on the level of intelligence contained in the product; and then disseminates to the appropriate audience.
