

Classification: Supply Manager II
Title Code: V00129
Pay Range: 21

POSITION SUMMARY:

The employee in this position performs very responsible supervisory and administrative work in the supervision and operation of the Highway Patrol's supply warehouse and print shop. The employee is responsible for maintaining records of supplies and equipment and supervises all personnel assigned to the warehouse and print shop. Work is subject to general review and supervision by the Fiscal & Budgetary Supervisor although considerable independent judgment and discretion must be exercised.

DESCRIPTION OF DUTIES PERFORMED:

(Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

Supervises and manages the supply section of the Budget and Procurement Division by serving as the person accountable for all supplies and equipment, establishing procedures for the control of supplies and equipment, and maintaining accurate and complete records and files of all items received in and dispersed from the warehouse.

Supervises subordinates in the operations of receiving, documenting, storing, and issuing of supplies from the warehouse.

Plans, reports, improves, directs, organizes, and evaluates employees assigned to the Supply Section and Print Shop.

Assumes responsibility for the supervision and direction of other activities assigned to the Print Shop.

Initiates programs designed to improve warehouse operations and establishes procedures to improve inventory and maintain adequate stock levels; conducts periodic audits of inventory to assure accuracy of records; plans and coordinates a program of stock control for the Patrol warehouse.

Conducts training for clerks in proper storage, rotation, and stocking of supplies and equipment.

Makes regular inspections of the facility to determine full use is being made of available materials and efficient use is being made of utilized space.

Verifies receipt of goods and equipment with purchase orders and receiving tickets; verifies that all supplies are received in good working order.

Classifies items as surplus property and arranges for their disposition in accordance with state guidelines.

Interacts with troop commanders and division directors' reference future demands for supplies and equipment, and makes recommendations to the buyers on ordering supplies and equipment.

Operates standard office equipment (e.g., personal computer, copy machine, telephone, facsimile machine, etc.).
