

**Law Enforcement Disability Awareness
Train the Trainer– Missouri State Highway
Patrol Academy
September 21 & 22 , 2017
8:00am-5:00pm both days**

The First Responder Disability Awareness Training project at Niagara University is pleased to announce the Train the Trainer program for Law Enforcement personnel in the State of Missouri, to be held at the Missouri State Highway Patrol Academy.

If you are a police officer who has an interest in educating your peers on how to properly respond to individuals with disabilities, we invite you to register for this training session.

Developed with input from First responders from across Missouri and New York, this training both sensitizes and educates law enforcement on how to effectively identify, address, and respond to various disabilities they will encounter in their line of duty.

This program is developed strictly for law enforcement personnel with the **intent to TRAIN other law enforcement officers**. This is NOT a training session for those who do not intend to train their peers. NU FR-DAT will track all attendees in this session relative to the department or agency they belong to and record when they train law enforcement personnel. This is a **FREE** training.

DATE: September 21 & 22 2017

WHEN: 8:00am-5:00pm both days
