Victims Of impaired drivers

In Missouri, 3 percent of all traffic crashes involves drinking. This statistic may seem insignificant — until you or someone you love becomes one. When that happens, it becomes evident that driving a vehicle or operating a watercraft while impaired is a serious and devastating crime.

The Missouri State Highway Patrol strives to provide service and protection to all individuals living or traveling through Missouri. Those who suffer at the hands of the impaired driver are entitled to receive the same service and protection as victims of any other crime. The Missouri State Highway Patrol is committed to providing comprehensive assistance to victims of DWI- and BWI-related (driving/boating while impaired) crashes through the Filling a V.O.I.D. (Victims Of Impaired Drivers) program. Officers and advocates often impact the long-term recovery of a victim by helping them and their families obtain assistance from victim service providers and other organizations during a traumatic time in their lives.
