National Homicide Seminar

October 19-23, 2008
Westin Crown Center
Kansas City, Missouri

P.O.S.T. Certified - No extra cost

CURRICULUM AND INSTRUCTORS

This seminar is structured for the advanced homicide investigator and does not contain basic instruction. A great deal of effort has been expended to present some of the most renowned instructors in the world representing different fields of homicide investigation which include medical, forensic, scientific, and legal areas of expertise. Instructors scheduled to give presentations include:

ROY HAZELWOOD

"Inside the Criminal Mind"

Mr. Hazelwood is one of the world's most famous profilers and was among the original profilers in the FBI's Behavioral Science Unit. Mr. Hazelwood is credited with developing the distinction between "organized" and "disorganized" murderers. His topics will include: four phases of a sexual crime, autoerotic fatalities, staging of homicide scenes, and crime scene linkage analysis.

RETIRED LT. COLONEL DAVE GROSSMAN

"KILLOLOGY"

Retired Lieutenant Colonel Dave Grossman is an internationally recognized scholar, author, soldier, and speaker who is one of the world's foremost experts in the field of human aggression and the roots of violence and violent crime. Colonel Grossman has made revolutionary contributions to our understanding of the primary causes of the current "virus" of violent crime that is raging around the world, including the recent epidemic of school and mall shootings.

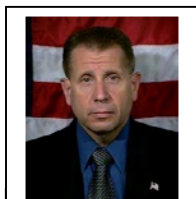

DR. TRACEY COREY
"DEAD MEN TALKING"

Dr. Corey is the Chief Medical Examiner for the Commonwealth of Kentucky. Dr. Corey is a Consultant to the FBI and the National Center for Analysis of Violent Crimes in areas of Forensic Pathology and Pediatric Forensic Pathology since 1998. She has been an instructor throughout the United States and in Europe. Dr. Corey's presentation will focus on "Pattern Injuries" seen at the time of autopsy, with an emphasis on homicide investigations involving the death of children.

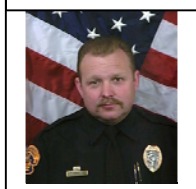

DETECTIVE DAVID NEWMAN
"INSIDE THE TAPE"

Detective Newman is a 21-year veteran of the Norfolk Police Department in Virginia. He's been involved in over 250 death investigations and high profile homicides. Detective Newman has extensive experience in death investigation and its related forensic applications. Detective Newman will focus on Crime Scene Management Models and proper crime scene protocol. He will include a review of the "D.C. Snipers" timeline and physical evidence.

CAPTAIN MICHAEL ZAHR
DETECTIVE CRAIG GROGAN
"FINDING LACI PETERSON"

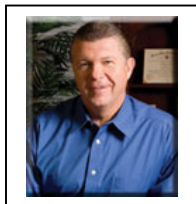

Captain Zahr and Detective Grogan, of the Modesto, California, Police Department were the lead investigators in the December, 2002, Laci Peterson homicide investigation. They will provide insight and discuss the complicated aspects, both positive and negative, of this high-profile investigation. They will also discuss the arrest of Laci's husband, Scott Peterson, as well as the trial and prosecution.

LIEUTENANT TRACY HARPSTER
"INTERPRETATION OF 911 HOMICIDE CALLS"

Lieutenant Harpster has served with the Moraine Police Department in Ohio since 1984. He currently serves as the Operations Lieutenant. The 911 Homicide Call course is designed to help detectives recognize indicators of innocence and indicators of guilt made by all individuals during 911 homicide phone calls. Each indicator is thoroughly defined, discussed and exemplified by actual 911 homicide phone calls. Lieutenant Harpster co-authored "911 Homicide Calls: Is the Caller the Killer?"

BOB DELANEY
BANQUET SPEAKER

Mr. Delaney is a former New Jersey State Police Officer and a current National Basketball Association Referee. His former (14 year) law enforcement career, coupled with his professional sports experience, provides tremendous insight and life skills. During the mid-1970s, Delaney worked as an undercover officer as part of an operation known as "Project Alpha". Bob Delaney wrote a book about his undercover experience in *Covert: My Years Infiltrating the Mob*, with co-author Dave Scheiber.
