

Missouri State Highway Patrol
Crime Laboratory Division - CODIS Unit
An ASCLD/LAB Accredited Laboratory

Training Opportunity:
1 hour of Technical Studies,
Offender DNA Collections

This POST certified course instructs law enforcement personnel on the proper method for obtaining DNA samples from qualified offenders in accordance with state law for entry into the FBI's Combined DNA Index System (CODIS). The training will provide DNA Collection demonstration, information to make collection more efficient and an overview of the CODIS program and its importance to law enforcement agencies.
