The AR will:

6. Ensure that the appropriate federal legislation is entered in the "reason fingerprinted" field for each criminal history record request, i.e., *the National Child Protection Act, as amended, or the Adam Walsh Child Protection and Safety Act.*
7. Pay all fees for criminal history record information provided by the MSHP-CJISD and FBI in accordance with Section 43.530 Missouri Revised Statutes (RSMo) and Title 28 Code of Federal Regulations (CFR) 20.31(e)(3).

Physical copies shall be maintained in a controlled, secure records environment, such as a locked cabinet or room. Access to the controlled area needs to be restricted to only authorized personnel. Electronic retention of CJIS shall be protected with encryption or individually password protected and must meet minimum standards as stated in the CJIS Security Policy, section 5.8 and 5.9, or most current version.

Logs shall include, *at a minimum*, the date, the name of sending agency, name of receiving agency or applicant, record shared, means of dissemination, and name of person who disseminated.

- Allow the MSHP-CJISD to conduct audits to assure compliance with this Agreement.

III. CRIMINAL HISTORY RECORD INFORMATION LIMITATIONS

The AR understands the criminal history record information has the following limitations:

1. Criminal history record information is defined and has three parts as follows:
 - The arresting agency's name and crime class under which the person was arrested. The arrest data submitted includes the mandatory field of name, race, sex, and date of birth. All arrests are accompanied by fingerprints.
 - The charge(s) issued by the prosecutor.

- The name of the court that tried the case and the ultimate disposition of the case.
2. Criminal history record information and custody information is compiled from information submitted to the MSHP-CJISD from law enforcement agencies, prosecutors, courts, Department of Mental Health and Department of Corrections (*hereinafter referred to as contributing agencies.*) Although the MSHP-CJISD makes reasonable efforts to ensure all information is submitted as required by law, it is not responsible for omissions from contributing agencies.
 3. Before releasing information on individuals or taking adverse action against an individual listed on the criminal history record, the person in question must be afforded the opportunity to dispute and correct the record.
 4. Criminal history record information is constantly being updated as new arrests and other information are entered into the system by contributing agencies. The record released is only valid as of the date the criminal history record check was performed.
 5. Certain statutes allow for the suppression or deletion of records, and this information is not provided.
 6. The MSHP-CJISD retains records for the State of Missouri only. Most fingerprinting reasons include a check through the FBI, which the MSHP-CJISD will request on the AR's behalf as a normal part of the criminal history record check, if allowed by law.

This Agreement commences on the date the last signature is obtained below and continues until terminated by either party. This Agreement may be terminated sooner by one or both parties upon 30-days written notice or immediately upon violation of the terms of the Agreement.

Compliance with this Agreement is voluntary; however, failure to complete this Agreement may result in denial of request.
