

Classification: CJIS Trainer/Auditor III (Security Unit)

Title Code: V00670

Pay Range: 26

POSITION SUMMARY:

This senior level position is responsible for training and auditing associated with the collection, use, application, storage, and dissemination of criminal justice information derived from the systems of the Missouri State Highway Patrol (MSHP) and United States Department of Justice (USDOJ). This position ensures that Missouri criminal justice agencies are in compliance with all statutory and federal laws, as well as the policies set forth in the FBI CJIS Security Policy. In addition, the position requires a highly professional, technically skilled, computer literate, and responsible individual who possesses the ability to work independently outside the division headquarters. This position may act as a lead worker on special projects. The employee assigned to this position exercises independent judgment and initiative in the performance of assigned duties; however, general supervision is provided to ensure conformance with the division's established rules, policies, and procedures.

DESCRIPTION OF DUTIES PERFORMED:

(Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

Acts as a lead auditor on performing IT Security Audits of criminal justice agencies; makes recommendations for corrective actions and provides other appropriate assistance/training to audited agencies.

Responsible for training junior security unit staff, as well as shares deficiencies that may require adjustments to the training and/or auditing curriculum; conducts peer reviews of other regional audit findings.

Schedules and prepares for CJIS IT Security Audits; to include preparing notification letters, entering scheduled dates on spreadsheets, and reviewing/analyzing agency policies, documentation, or logs for compliance.

Updates and maintains Local Agency Security Officer letters, MULES DC45 database; maintains current audit files and compliance records of all Missouri law enforcement agencies.

Provides technical assistance to agencies relating to MULES and FBI CJIS Security Policy; to include troubleshooting technical issues and testing both MSHP and agency software for and compliance.

Distributes the most current FBI CJIS Security Policy and updates audit documentation to include all changes in the policy.

Schedules, plans, and conducts security related classroom trainings statewide; seeks opportunities to provide additional training sessions with state/county/local law enforcement agencies, municipalities, correctional institutions, and special interest groups regarding the collection/use of crime statistics and the use/ dissemination of criminal history record information.

Formulates, writes, and/or updates CJIS Division policy and standards manuals, Security Awareness Training modules, CJIS Newsletter articles, CJIS Annual Report, and other documentation as assigned.

Classification: CJIS Trainer/Auditor III (Security Unit)

Title Code: V00670

Pay Range: 26

Attends and/or instructs at annual conferences held by the Patrol and various other state and/or national agencies.

May act as a lead worker on special projects.

Performs work-related travel as necessary to complete audits, training, etc.

Performs other related work as assigned.

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES:

Comprehensive knowledge of state and federal laws, rules, and regulations pertaining to the collection, storage, and dissemination of criminal history record information.

Comprehensive knowledge of FBI CJIS, NCIC, and MULES rules and regulations, specifically the FBI CJIS Security Policy, MULES Policy and Procedures Manual, and 576.050 RSMo.

Comprehensive knowledge of the MSHP CJIS Division Units, Manuals, and General Orders.

Comprehensive knowledge of the IT Security audit program, procedures, and methodology pursuant to Generally Accepted Government Auditing Standards (GAGAS).

Comprehensive knowledge of MULES, NCIC, NSOR, MACHS, AFIS, FBI LEO, and other criminal justice systems.

Comprehensive knowledge of criminal justice information sharing platforms (N-DEx).

Comprehensive knowledge of the methods of instruction, design of training materials, and principles of personnel development.

Intermediate knowledge of the principles of computer systems analysis, design, testing, and documentation.

Possess the ability to test new software applications, troubleshoot, and resolve hardware and/or software problems related to and MULES and the FBI CJIS Security Policy, and respond to agency contacts and software vendors' questions related to MULES and the FBI CJIS Security Policy.

Possess extensive skills with word processing, spreadsheet, and presentation software (i.e. Lotus Notes, Microsoft Office, Excel, PowerPoint, etc.).

Possess excellent skills in verbal and written communication, including proper and effective use of grammar, punctuation, and sentence structure.

Ability to work independently and be self-motivated.

Possess skills in time management techniques and prioritization and the ability to work under pressure while maintaining a high quality of work.

Possess skills in data analysis and problem solving and the ability to summarize information in concise reports to ensure understanding and for utilization in presentations.

Classification: CJIS Trainer/Auditor III (Security Unit)

Title Code: V00670

Pay Range: 26

Ability to interpret policies and laws in written and oral form.

Ability to effectively research, plan, develop, and organize materials for use in training programs.
