

BUOY LINE LETTER

Dear Neighbor,

An application to make a portion of COVE NAME, located at the MM mile mark of the LAKE ARM on Lake of the Ozarks, a no wake idle speed cove has or will be submitted to the Missouri State Highway Patrol requesting the cove be made a **NO WAKE COVE**.

According to current buoy guidelines, dock owners located at the buoy line and one hundred feet outside the proposed no wake area **must agree** to the placement of the buoy line (starting area) for the no wake cove before approval of the permit since the location of the proposed buoy line may create additional waves from boats that may slow down prior to reaching the no wake area buoy line.

In accordance to buoy guidelines, we ask that you, as a property owner, agree to and sign this document agreeing to the placement of the no wake idle speed buoy line.

I, (printed name) _____ hereby agree to the placement of the proposed no wake area buoy line.

Parcel # or Dock Permit #: _____

Signed _____ Date _____
