Missing from:
Kansas City, Mo.

Renee Pernice was last seen by her husband at the family's home in the Northland area of Kansas City, Mo. The 35-year-old mother of three works as a nurse and a nursing instructor at St. Luke's Hospital. Family reports Renee's purse and car keys were left at the house, but officers with the Kansas City Police Department said a passerby found her cell phone discarded on a city street. Few other details are available. Renee works as a nursing instructor at St. Luke's Hospital in Kansas City. Family members say it is very unusual for her to leave her job or children without any notice. Foul play is suspected.
